

As you have probably seen from prior notices, **the HEARTH is now on EZ Lynx**. Please make sure you check them as one of the Homeowner carriers to quote.

**A couple of highlights on the Hearth...**

- The Hearth is an **AM Best A-Rated** product
- HO-3 and HO-4
- **Open in ALL** Texas zip codes
- **Preferred Home and Renters** market
- HO-3 is most competitive on newer construction, but please quote on all homes as they continue to expand their appetite and improve their rate on all homes
- HO-4 is a very standard Renters product - it provides Replacement Cost coverage

PLEASE QUOTE THE HEARTH ON ALL RISKS. **THEY ARE SEEKING FEEDBACK IN REFERENCE TO THE PRODUCT AND THE PRICING.** They are an incredibly responsive market who wants to write business in Texas. They will do everything they can to make the product competitive, but they need your feedback as their agency partner to help steer them in the right direction.
